Dear Ms. Dortch:

Yesterday, Richard Clarke, Joel Lubin and the undersigned, all representing AT&T, met with Simon Wilkie and Don Stockdale of the FCC's Office of Plans and Policy. The purpose of the meeting was to discuss AT&T's Electronic Loop Provisioning proposal as presented in comments filed by AT&T in the above-referenced proceeding and discussed in more detail in the presentation filed in this proceeding by ex parte dated August 8, which was the basis for yesterday's meeting as well. All comments made at the meeting were consistent with AT&T's previously filed comments and presentation materials.

Consistent with Commission rules, I am filing one electronic copy of this notice and request that you place it in the record of the above-referenced proceedings.

Sincerely,

Joan Marsh
